**Value of State's share of employee's retirement: 16.17 % of pay.**

**JOB DESCRIPTION:** This is structural craft work in the field maintenance, repair, and rebuild of heavy vehicle, automotive, and construction equipment. Work includes diagnosing mechanical and electrical problems, evaluating overall condition, and performing skilled technical tasks in testing, installing, repairing, rebuilding, rewiring, replacing, and/or fabricating parts for the maintenance, repair, and/or rebuild of a variety of heavy vehicle, automotive, and construction equipment. This classification is differentiated from the Automotive Mechanic and Heavy Vehicle & Equipment Technician classifications by the requirement of the positions to operate with a higher degree of independence in a field environment, complete required maintenance, repair, and/or rebuild on the road or in a field garage, and maintain a limited supply of heavy vehicle, automotive, and construction equipment parts and supplies. This job requires statewide travel and extended work hours during the summer season. Work is performed under limited supervision.

**MINIMUM QUALIFICATIONS:**

- Four (4) years experience, education, and/or training in the maintenance, repair and/or rebuild of automotive and/or construction equipment, including two (2) years of experience working with heavy vehicle and construction equipment.
- Be a minimum of 18 years of age.

**KNOWLEDGES, SKILLS, AND ABILITIES REQUIRED (include, but not limited to):**

- Technical knowledge and experience in hydraulic pumps, motor hoists, cylinders, control valves and circuitry.
- General experience in heavy construction equipment related to power steering, transmissions, final drives, power and air brakes and diesel engines.
- Ability to troubleshoot and repair mechanical, electrical and hydraulic failures/problems in a variety of vehicles and mechanical equipment.
- Good working knowledge of manual and power tools of the trade.
- Have the ability to follow instructions and be able to work with other employees

**LICENSING/REGISTRATION/CERTIFICATION REQUIREMENTS:** *(These must be met by all employees prior to attaining permanent status in this class).*

- Must obtain a State of Maine class B CDL with air endorsements and Class A & D inspection license.
- Some positions may also include Class E inspection license requirement.

**NECESSARY SPECIAL REQUIREMENTS:**

- Pass State paid Medical examination that includes a drug test and the Department's driver examination and road test for the assigned equipment.
- Employees in this class, as a condition of employment, must on the initial day of employment provide and wear safety boots while in work status, which meets the ANSI standard and which are at least six (6) inches in height.

**APPLICATION PROCESS:**

Qualified candidates must forward a completed PER-3 (**Direct Hire Application**) and PR 6 (**Mechanic Supplemental** to: Maine Department of Transportation, Attn: **Beth Getchell** 16 State House Station, Augusta, Maine 04333, Tel: 624-3071, no later than 4:30 p.m. on the closing date listed above. The Direct Hire Application, Mechanic Supplemental Form, and additional information concerning this posting can be found at <http://www.maine.gov/mdot/>.

PLEASE LIST BULLETIN NUMBER ON PER-3 AND PR 6 WHEN APPLYING FOR POSITION.

MDOT is an equal opportunity/affirmative action employer
